I accept that kayaking / canoeing is an adventurous sport or activity, which by its very nature involves a degree of risk of personal injury or death. I acknowledge that Trim Canoe Club (hereafter known as TCC) are not responsible for and cannot and do not agree to ensure my safety at any time or times. I personally accept all associated risks and agree to be responsible for my own actions and involvement. I confirm that I can swim at least twenty-five meters and am proficient in treading water. I hereby agree to complete any swimming proficiency test upon request of the TCC and will accept their determination as to my proficiency in swimming. I realise that this may result in their refusing me participation in the event. I confirm that I do not suffer from any disability or medical condition which may render me unfit for strenuous exercise.

The event instructors and organisers reserve the right to refuse participation or curtail participation on an individual basis if there deemed to be a risk to safety for any participant or if participants engage in offensive behaviour, intentional or otherwise. TCC also reserves the right to refuse participation without providing a reason.

Are there any physical or other condition (s) which the TCC should be made aware of? Please note that where a member has a pre-occurring or new injury or condition which could be adversely affected by participation in the club's activities, it is in all cases the sole responsibility of each member to assess their own fitness and ability to safely participate in the club's activities. This will not affect the club's right to refuse or restrict admission or participation in the club's activities. Should such items arise in the future you should notify TCC.
